

Info Pack

The PRA information pack provides information :

- About the industry
- About the PRA
- Skills Picture Researchers need

Download the new information pack to find out more about the stock photography industry and where the picture researcher fits into this dynamic and rapidly-changing area of the media.

[Click here to download the free PRA pdf](#)

There is also a zip file version of the Infopack [here](#)

It's only 300KB so won't take more than a minute.
